

TIMBER WINDOWS

DIRECTIONS

From the main gates in Harewood, drop down Harewood bank and swing off left down A659 towards Otley.

Take the left turn signposted Weardley and follow for quarter of a mile

Turn left at the roadside mirror onto the Estate. If you are visiting us at the weekend then you will need to buzz security at the gate to inform them of your visit. Sat-Nav users can use the postcode LS17 9LS to reach this point

Continue along the tree lined single file track, cross the bridge and bear right. Continue for a quarter mile until you reach the main Estate office buildings

Now turn left up the hill in front of the large green location sign

After 50 yards (and before the cattle grid) turn right to reach your destination
